Spring has Sprung!

Magna Charity Golf Tournament

In 2019 Magna Insurance invited Renfrew Educational Services to be the long-term recipient of their annual charity golf tournament. Over the last two years the tournament had been postponed due to the COVID-19 restrictions but this summer their tournament is back and is scheduled for August 18th at Bears paw Golf Club. Renfrew will be supporting the tournament by providing auction items and pursuing sponsorships. We will be looking to our families and supports to help fill sponsorships. Information will be sent home within the next couple of weeks.

Spring in our Centres

With warmer weather upon us the thoughts of spring begin to sprout in our classrooms. It will not be long before our beans are planted, and our butterfly larvae is delivered. Our classrooms are exploring the outdoors as we bring our classroom centres outside – we see the birds creating nests and insects crawling. Mother nature is waking up and we are excited to explore what is outside. Please watch for weekly information from your child's classroom teacher about future events and activities.

As COVID-19 restrictions have been lifted some of our classrooms will be venturing out on field trips as well as pursuing on-site special guests/events for the children to enjoy. Your child's teacher will send information to you in their weekly updates from the classroom.

School Transitions

We will continue to work with the school boards with a transition process for your child. Please remember that our Family Support team and site Managers can support you during this time.

Thank You

Thank you sincerely for the many, many ways you help Renfrew and for trusting us with your children. We hope during times such as this we can continue to be a resource for you as well. Please do not hesitate to contact us our doors are always open:
